WHAT DRIVES YOU?

As counter-cultural today as it was then, the Sermon on the Mount describes the character, attitudes and actions of those who live as Christ's disciples. At Drive Weekend 2016 students will be challenged to live a life defined by God's Kingdom. After an exciting weekend with friends and dedicated leaders they will leave with a richer, deeper understanding of Jesus' Sermon on the Mount equipped to engage the world with the light of Jesus Christ.

BEHIND THE SCENE

We're bringing Behind The Scene back for a look at the characters behind the nativity scene such as the shepherds, Simeon, and Anna in order to learn from their example of worship, obedience, and faith in God. This timely series will also serve as a reminder to keep the true meaning of Christmas at the forefront of the holiday season.
