Sharing His Love in Southeast Asia

“When they could not find a way... because of the crowd, they went on the roof and lowered him on his mat through the tiles into the middle of the crowd, right in front of Jesus.” Luke 5:19

Jesus' compassion for the multitudes of people, distressed and without direction in life, moves His people to reach those who have never heard the gospel. In Luke chapter five, it motivated a group of men to bring a paralytic to Jesus. Recently, Pastor H led a team from his church to Southeast Asia, where they ministered to two distinct groups – orphans and the sick. **Notice the picture of a man who brought his son on a homemade wheel barrow, much like the paralyzed man was brought to Jesus.**

Their team participated in a medical clinic that treated over 250 patients. While medical personnel attended the sick, the team was able to share the Good News

of Jesus' love. **There were over 180 individuals who indicated that they prayed to receive Jesus as their personal Savior as a result of the medical outreach.**

Further, the team touched the lives of over 500 children in government-run orphanages, by providing personal hygiene kits, books, food, and school supplies. This year the food distribution was so vital because the government had reduced the orphans' food allotment.

We praise God for what He is doing through the ministry of Pastor H and his church family. **Do you know that by faithfully giving through Mission 1:8, you are helping to bring people to Jesus here and around the world?**
