New Ministry Partner

SENT CHURCH San Angelo, TX

Meet Pastor Josh Lilly, his wife, Sarah, and their precious family, founders of Sent Church and new ministry partners with First Dallas as a result of your faithful giving to **Mission 1:8**. The mission of Sent Church is to make disciples and plant churches. They are trusting God as they move to plant 25 Churches in the next 10 years. Sent Church's next plant will be in Fayetteville, NC in August 2015.

Josh and his family believe we are called to "live sent." **Jesus told his disciples that he was "sent to seek and to save that which is lost." He then invited his disciples to do the same by saying "as the Father has sent me, even so I am sending you."**

Those at Sent Church believe every follower of Jesus has both the calling and potential to live sent like Jesus, and teach others to do the same. As they encourage, empower, release, and celebrate individuals and families to live sent where they live, work, and play they see more people becoming disciples of Jesus. This grass root movement of disciple making starts on the smallest level as individuals and families live sent like Jesus.

Through your giving to Mission 1:8, we are now partnering with this church family of missionary servants who desire to see Jesus renew the world as we Live Sent together.
