JAMES

The words "faith" and "fruit" get thrown around a lot in Christian circles, but what do they actually mean for our lives? Come walk through the book of James with us as we discover how our love and knowledge of God must lead us into a life that reflects Him more and more every day.

SUNDAYS | 9:15AM | THE LOFT

Relationships can be difficult. Relationships within the family are no exception. Family Matters is intended to take a practical look at the character of our heavenly Father, honoring our father and mother, sibling rivalry, and reconciling family relationships. We pray this series is a blessing to your family as we study the importance God's Word places on the family unit.
