MINISTRY OPPORTUNITIES

- Downtown Pregnancy Center
 - The Pregnancy Center is always in need of additional volunteers to work in the center as well as volunteers who are interested in mentoring these young women through their pregnancy and the first year of their child's life.
- Exodus Ministries
 - This is a ministry to women who are coming out of prison and re-entering society. They are also re-connecting with their children. There are many opportunities to serve this group of women as they look for employment and adjust to being back in society.

MINISTRY OPPORTUNITIES

- Interfaith Housing Coalition
 - This is a vital ministry to families who are struggling financially and the opportunities for ministry are numerous. They need those who can help families develop a budget and learn to live within that budget as they go through this year long program of getting their lives back on track financially.
